

BLUE OVERALLS

I'm sitting here thinking, it's
puzzling me,
why when you feel blue, you
feel unhappy?
I'm wearing my favourite blue
overalls and overhead a blue
sky is smiling at me.
So blue doesn't really make me
feel sad,
instead I am feeling, especially
glad!
So blue doesn't really make me
feel sad,
instead I am feeling, especially
glad!
