

# FEELINGS, FEELINGS

## CHORUS

Feelings, feelings.  
They're a part of me.  
Feelings, feelings.  
Hey I just want to be  
me!

Oh I feel happy, I feel  
happy. When you smile  
at me. I feel happy,  
oh so happy.  
When you smile at me.

## CHORUS

Oh I feel safe, I feel  
safe. When you hold  
my hand. I feel safe,  
oh so safe. When you  
hold my hand.

## CHORUS

Oh I feel proud, I feel  
proud. When you  
say "well done".  
I feel proud, oh so  
proud. When you  
say "well done".

## CHORUS

Oh I feel loved, I feel  
loved. When you give  
me a hug. I feel loved,  
oh so loved. When you  
give me a hug.

## CHORUS

Oh I feel special, I feel  
special. When you say  
"I love you". I feel special,  
oh so special. When you  
say "I love you".
