

HERE IS AN OSTRICH

Here is the ostrich straight and tall.
Nodding his head above us all.

Here is the long snake on the ground.
Wriggling upon the stones he found.

Here are the birds that fly so high.
Spreading their wings across the sky.

Here is the hedgehog prickly and small.
Rolling himself into a ball.

Here is the spider scuttling around.
Treading so lightly on the ground.

Here are the children fast asleep and
here at night the owls do peep.
