

# HIPPO MEDLEY

What a sight to see,  
six hippos rockin' to the beat .

Dancin' the hippo hop,  
Watch those hippo feet!

Hip, hip, hippo hop.

Hip, hip, hippo hop.

What a sight to see,  
hippos rockin' to the beat .

Dancing the hippo hop,  
watch those hippo feet!

Hip, hip, hippo hop.

Hip, hip, hippo hop.

Hip, hip, hippo hop,  
watch those hippo feet.

What a sight to see,  
hippos rockin' to the beat .

Dancing the hippo hop,  
watch those hippo feet!

My name is Gus, I travel by bus.  
People make an incredible fuss.  
Why do they make such a fuss?  
Because I'm a hippopotamus!

As I was walking down the street.  
A hippopotamus I happened to meet.  
Bright yellow shoes adorned his feet.  
His red and blue suit looked oh so neat.

My name is Gus, I travel by bus.  
People make an incredible fuss.  
Why do they make such a fuss?  
Because I'm a hippopotamus!

**I'm cool!**
