

JELLY BEANS

Jelly beans, jelly beans,
many colours bright.
Yum, yum, yum, yum, yum!
Jelly beans, jelly beans,
are my hearts delight.
Yum, yum, yum, yum, yum!

I like a green jelly bean
and an orange jelly bean.
A purple, blue, red and a
yellow jelly bean.
Jelly beans, jelly beans
many colours bright.
Yum, yum, yum, yum, yum!
