

# JIMMY JELLO

Jimmy Jello wibble-wobble,  
is an incredibly flexible fellow.

He can do the splits  
with his hands on his hips  
and balance a banana on his nose  
while wriggling his long toes!

Marsha Mellow tingle-tangle,  
is a delightful tap, tap dancer.

She can tap on the ceiling  
while she's cart wheeling  
and whistle a melodious tune  
about 'Sally Go Round the Moon'.
