

NUMBER THREE

1 2 3

Numbers 1 to 10 Gus would love to teach,
while he's having fun playing at the beach.
Numbers are easy I'm sure you'll all agree.

Can you guess what's next?

Yes, it's number three!

Three birds have come to say hello,
to Gus the friendly hippo.

He likes to share his morning snack
and hopes the birds will visit back.

Chippies for hungry birds
who squawk "thank you", the magic words.

Three birds have come to say hello,
to Gus the friendly hippo.
