

# TRANSPORT RAP

Here is the steam train,  
coming down the track.  
Now it's going forward,  
now it's going back.  
Now the bell is ringing,  
now the whistle blows.  
Wow what a lot of noise it makes,  
as the engine slows!

Here is an airplane,  
flying through the sky.  
See the plane flying low,  
see the plane flying high.  
Now lots of dripping drops of rain,  
falling from the clouds.  
Hear the thunder clapping,  
really, really, LOUD!

Here is the moon so big and round.  
Here is the rocket ship on the ground.  
Two astronauts will ride this ship.  
Up the ladder, quick, quick, quick!  
On go the helmets, down goes the mask.  
Astronauts ready for their task.  
Countdown begins 3, 2, 1!  
The outer space journey has begun!
